A MASTERPIECE ON THE WATER:

The Design Inspiration of S.S. Emilie

At Uniworld, we're constantly evolving – reimagining what luxury river cruising can be, and refining every detail to deliver unforgettable experiences. Our newest Super Ship, *S.S. Emilie*, is the latest expression of that vision.

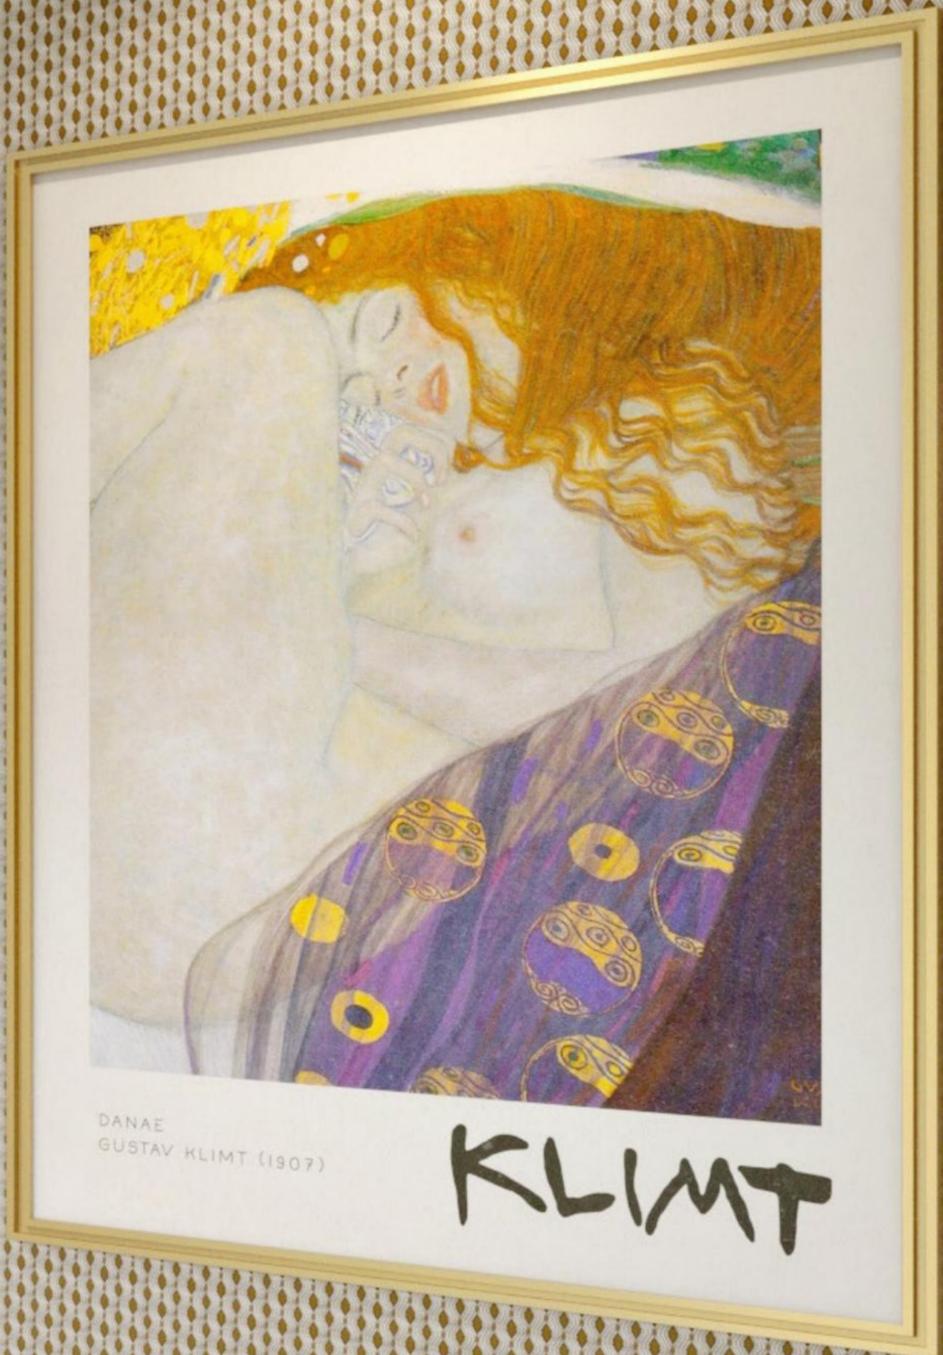

Inspired by Gustav Klimt's artistry, *S.S. Emilie* is a tribute to beauty, creativity, and timeless design. Klimt's iconic use of gold, pattern, and texture shaped the ship's interiors—from hand-selected artwork and gilded accents to flowing curves and opulent textiles.

Named after Emilie Flöge, Klimt's muse and a pioneering designer in her own right, the ship also honours bold femininity and Viennese elegance.

We believe the magic of travel lies in the details – in how a space makes you feel, and how seamlessly it connects you to the culture and stories of the destination. *S.S. Emilie* is not simply a vessel to carry you along the Danube; she's an invitation to experience Central Europe's art, history and romance with all the beauty and grace you've come to expect from Uniworld.

With *S.S. Emilie*, we welcome a new chapter in our story – where timeless elegance meets artistic daring, and every journey feels like a masterpiece.
