*The Finest Luxury Travel Experiences  
across River, Rail & Land*

CELEBRATING THE 50<sup>TH</sup> ANNIVERSARY OF UNIWORLD IN 2026

At Uniworld, we continually strive to craft the most luxurious and immersive travel experiences for our guests. For over 50 years, we've proudly led the river cruise industry, setting the standard for elegance, service and attention to detail. Through decades of refinement, we've perfected the art of luxury travel — curating experiences that are as meaningful as they are memorable.

**The Ultimate Collection** represents the next chapter in that journey. It brings together our most extraordinary adventures across river, rail and land, designed for those who seek to travel deeper, linger longer and explore the world in unparalleled style.

### THE ULTIMATE EUROPEAN JOURNEYS

For those who want to experience Europe in its most complete form, our **Ultimate European Journeys** blend the romance of river cruising with immersive land stays in extraordinary destinations. These itineraries go beyond the riverbanks — pairing sailings with curated time in iconic cities and scenic regions. Whether it's extending your journey with a stay in Ljubljana and Lake Bled before boarding *S.S. La Venezia* to sail through Venice and its magical islands, or exploring the cultural gems of Prague, Amsterdam or Budapest alongside a Rhine or Danube sailing, these combinations offer a seamless way to see and savour even more.

### LONGER LUXURY RIVER CRUISE ITINERARIES

Spanning up to 25 days, our extended river cruises invite you to explore more, linger longer and truly connect with the heart of each destination. From the cultural mosaic of Eastern Europe on a 19-day itinerary to the rich culinary heritage of France over 22 indulgent days, these journeys are designed for those who appreciate the luxury of time. Following the overwhelming success of its debut in 2025, we're thrilled to be relaunching **Wine Roads of France & Portugal** — a journey that offers a richer perspective on Europe's most iconic wine regions, blending seamless travel with immersive, elevated experiences.

### RIVER MEETS OCEAN: IN PARTNERSHIP WITH SEABOURN

We're proud to introduce a new way to experience the best of both worlds: combining Uniworld's all-inclusive river cruising with the ultra-luxury of Seabourn's ocean voyages. In partnership with **Seabourn**, we've created two remarkable itineraries that bring together the intimacy of waterways with the grandeur of open seas. These are cruises like no other — crafted for those who wish to explore further, travel deeper and do so in uncompromising style. See page 5 for more details.

### THE WORLD'S GREATEST RAIL & RIVER JOURNEYS

Few journeys capture the romance of travel quite like our rail and river combinations — and none more so than the iconic route from Istanbul to Paris. Traversing continents in exquisite comfort, this itinerary brings together storied cities, breathtaking landscapes and the timeless glamour of luxury rail, paired with the all-inclusive elegance of a Uniworld river cruise.

**As seen on Channel 4's More4!** Our luxury rail partners, Golden Eagle Luxury Trains, were proudly featured in the brand-new series *The Orient Express: A Golden Era in Luxury Travel*. For those wishing to deepen their knowledge of luxury rail, I highly recommend watching this fascinating series, which follows the train from Paris to Istanbul - a journey that can be seamlessly combined with our Paris & Normandy luxury river cruise.

### THE ULTIMATE BUCKET LIST COLLECTION

In 2026, our **Spectacular Journeys of the World collection** will be elevated to offer even more enriching experiences in some of the planet's most awe-inspiring destinations. Many itineraries now feature new **Ultimate Bucket List** versions — extending our river cruises with thoughtfully curated land stays in world-class hotels and resorts.

Sail through the emerald waters of Ha Long Bay aboard a brand-new luxury ship. Enjoy a vibrant stay in Rio de Janeiro before witnessing the thundering power of Iguazu Falls. In India, discover the country's spiritual heart with a moving visit to Varanasi. These additions build upon the unforgettable moments for which Uniworld is known, allowing guests to see far more of each destination in a refined and rewarding style.

**As you begin to dream of 2026, we're delighted to offer up to 20% early booking savings per person on a wide range of these exceptional itineraries. And if you've travelled with us before, you can enjoy an additional loyalty saving of up to £400 per person.**
